On the RAOs – yes, the new timeframe is possible. If the internal review is not complete by Friday, then they will be sent to EPA for review by end of Friday 5/4 or early Monday 5/7 while concurrently being reviewed by the internal team.

Thanks,  
Aaron

Thanks for comments on the CAG slides. I am going to have to move up the due date on the RAOs. Michael would like to be able to review them on Monday, 5/7, so that we can send them out early 5/8. So we will need to see a draft by end of Friday 5/4 or early Monday 5/7. Please let me know if that is possible.

Thanks

Diane, as discussed, please correct any items below that I may have misinterpreted.

Gentlemen, (please also provide any corrections identified)

#### **Schedule and assignments for RAOs**

##### **Schedule RAOs:**

Diane needs them for 8<sup>th</sup> in the AM – We should get them to her on the 7<sup>th</sup>

##### **Assignments:**

Aaron will write them up for Monday 7<sup>th</sup>

All will review them and deliver comments to Aaron on 7<sup>th</sup>

#### **Schedule and Assignments for CSTAG responses**

##### **Schedule CSTAG responses:**

Responses due to Diane 9<sup>th</sup>/10<sup>th</sup> – note she would like to have them in draft form at a minimum to have on hand for the CAG meeting. She does not need them for delivery to NJDEP for the 14<sup>th</sup> since they will need to be vetted before they go to the PAs. Our due date for any revisions or updates is still the 11<sup>th</sup>.

##### **Assignments:**

James/Ed – items 6, 8, and 9

Scott – items 1,2,3, and 4

Keegan – items 5, 7 and 10

Aaron – review of all responses

#### **CAG presentation**

Diane has what she needs for now (SWAC/RAL information). She is currently going through the CSTAG memo to summarize and will pass her presentation along to the team for review.

Thanks
